

you have to go petition the court to get it back.

This bill gives \$2 million to the Department of Justice. I mean, giving more money to the Justice Department, the most politicized Justice Department I have ever seen, the same Justice Department where over a dozen whistleblowers have come to our office talking about concerns they have with investigations that the FBI and the Justice Department are doing, the same Justice Department that treated parents as domestic terrorists for simply showing up at school board meetings and voicing concerns about the curriculum being taught to their children, that Justice Department, we are giving more money to do this program?

The same Justice Department that, sad to say, has joined the effort by the left to intimidate the Court, our highest Court in the land, we are giving money to that Justice Department?

Make no mistake, this Justice Department has done that by their failure to enforce the statute to protect our Supreme Court Justices. When people are protesting at their home, trying to impact and intimidate the Court, this Justice Department refused to deal with the statute that is exactly on point. We are giving money to that Justice Department.

So for all those reasons, we have real concerns with this legislation, and I would urge opposition to the bill.

Madam Speaker, I yield back the balance of my time.

Mr. NADLER. Madam Speaker, I yield myself the balance of my time.

There is a reason that this bipartisan legislation is endorsed by the Major Cities Chiefs Association, the National Association of Police Organizations, the Fraternal Order of Police, the National Policing Institute, the National Sheriffs' Association, the National District Attorneys Association, and several State and local law enforcement organizations.

When tragedy strikes—and unfortunately we know that it will strike again—we want our law enforcement and first responders to have all the tools they need to keep our communities safe. We want our people to have the warnings that they need, just as with the AMBER Alert system.

I urge my colleagues to stand with law enforcement and to support this important legislation.

Madam Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. Pursuant to House Resolution 1224, the previous question is ordered on the bill, as amended.

The question is on the engrossment and third reading of the bill.

The bill was ordered to be engrossed and read a third time, and was read the third time.

The SPEAKER pro tempore. The question is on passage of the bill.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.

Mr. JORDAN. Madam Speaker, on that I demand the yeas and nays.

The SPEAKER pro tempore. Pursuant to section 3(s) of House Resolution 8, the yeas and nays are ordered.

Pursuant to clause 8 of rule XX, further proceedings on this question are postponed.
